Who Is Alpha For?

Alpha is for anyone...anyone who thinks there may be more to life than meets the eye. People attend from all backgrounds, religions, and viewpoints. They come to investigate questions about the existence of God, the purpose of life, the afterlife, the claims of Jesus and more. Some people want to get beyond religion and find a relationship with God that really changes life. Others come for the close, long-lasting friendships that are built during the Alpha course.

Some guests have never regularly been to church, others may have attended church occasionally but feel they have never really understood the basics of the Christian faith. Everyone is welcome.

What Happens at Alpha?

Each week Alpha guests socialize with delicious meal, enjoy a video presentation and engage in stimulating small group discussion. Join us and find out why so many people worldwide have experienced such positive changes in their lives, relationships, and faith.
